

REMARKS

Applicant thanks Examiner for allowing claims 1-6.

Please add new claims 7-10, depending from allowed claim 2. No new matter has been added.

The Claim Objections

Claim 1 was objected to based on informalities. Claim 1 has been amended to correct the informalities, and has also been amended to correct a minor typographical error, and now overcomes the objection.

Claim 3 has been amended to correct its dependency, and to correct a minor typographical error. Accordingly, claims 4-6, which depend from claim 3, now overcome their objection.

The Specification

Per Examiner's request, the Abstract has been amended to less than 150 words, and has also been amended to now reflect proper content. Additionally, a corrected specification sheet, showing the Abstract on a separate sheet in accordance with 37 C.F.R. § 1.52(b)(4), is filed herewith.
